ALLERGENS

Do you have a food allergy or intolerance?

In advance of your event, allergen information can be provided by your Event Co-Ordinator on the 14 major allergens.

At your event, your Event Manager will be able to provide access to the allergen folder which holds all the information on which allergens are contained in your chosen menu and can help you make an informed decision.

Please note, as with every catering establishment, there is always a potential for cross-contamination to occur. While we endeavour to prevent this as far as possible, the nature of an allergen means we cannot fully guarantee that cross-contamination may not have occurred. We encourage our customers with food allergies and intolerances to let our staff know, so we can better cater for them. We are happy to provide further details on ingredients and how they were handled to allow you to make an informed decision as to whether the food is suitable for you.
